PASSION FOR INCLUSION PROJECT

23.10.2023

Thanks to the Erasmus program, we managed to develop in the field of special education, intended for adults with disabilities and also for psychopedagogical teachers/psychologists and specialists in the field.

Through the implementation of the Passion for Inclusion project, we had the opportunity to develop educational alternatives for special education and not only, since part of our beneficiaries are also the parents of people with disabilities.

Thus, by organizing the dissemination event at the end of the project, for 42 beneficiaries from the local community we presented and promoted the achieved intellectual results, namely: IO1- Needs Analysis, Benchmark Report;

IO2- Sexual Education Learning/Teaching Toolkit;

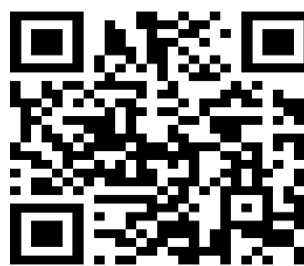

IO3- E-Learning Platform and Mobile App;
